LIFE CHAPEL

In [John 4:10-14](#), Jesus speaks to the Samaritan woman at the well, revealing that He offers spiritual life that quenches the soul's deepest thirst. Unlike physical water, which provides only temporary relief, His living water is eternal and transformative—a picture of salvation through faith in Him.

Jesus expands on this in [John 7:37-39](#), declaring, "Whoever believes in me, as Scripture has said, rivers of living water will flow from within them." By this, He was speaking of the Holy Spirit, who refreshes, empowers, and sustains those who follow Him. This year's theme reminds us that we are not only recipients of this life-giving water but also vessels through which it flows to the world.
